## NORTHERN CALIFORNIA - NEVADA CHAPTER

### Smoke Management Seminar

*Biltmore Hotel & Suites, Santa Clara*

June 15, 2010, 8 am - 4:30 pm

On June 15, 2010, the Northern California-Nevada Chapter of the Society of Fire Protection Engineers is hosting a seminar about the theory, design, commissioning, and acceptance of smoke control systems.

The keynote speaker, Dr. James Milke, Professor of Fire Protection Engineering at the University of Maryland and co-author of the *Principles of Smoke Management*, will present the theory of smoke management. Presenting other aspects of smoke control are three experts, representing both consulting and fire services: John Stauder, John Lee, and Jon Corbett.

Please join us for the entire day, or select either half of the seminar of most interest to you. To pre-register, please contact Gail Johnson at [gjohnson@haifire.com](mailto:gjohnson@haifire.com) or (925) 314-7910 or visit the chapter web site at [www.ncnsfpe.org](http://www.ncnsfpe.org) after February 15<sup>th</sup> to register using PayPal.
